

Heatcraft Counter Day

IntelliGen Evaporator Contractor

RSD is hosting a Heatcraft Counter Day event. Here you will learn about their latest innovations, including how they work and where you can find success with each product. You will also have the opportunity to learn and have a hands-on demonstration over Heatcraft's IntelliGen Refrigeration Controller. This is an opportunity to have any questions you may have answered about Heatcraft products.

LUNCH & LEARN EVENT

- Thursday, April 11th, 2024
- 11:00am to 3:00pm at the Anchorage branch
- Presented by Aaron Shanahan of Heatcraft
- A hot-dog lunch will be provided
- This is a free event
