

Yaskawa Certification

HV600 HVAC Drives

RSD is hosting a HV600 HVAC drives training with Yaskawa. The course provides technicians and engineers required training and testing to become Yaskawa HV600 HVAC certified. It will offer a better understanding of model number breakdown, drive sizing and selection, chassis types, bypass components, I/O, and monitoring. You will also learn drive startup programming, wiring, troubleshooting, solutions for drive/bypass fault codes, and use of the Drive Wizard software.
