

# Ruud Commercial & Economizer

RSD is hosting a Ruud Commercial Training and Economizer training. The course highlights our Economizers, VFD's, Clear Control Basics. Contractors will walk away with better understanding of Siemens Economizer controllers used on Ruud equipment. This training will cover trouble-shooting for both VFD's and Economizers; and will also go over basic setting and DDC clear controls. Contractors will be given a USB stick covering manuals for the last several years covering Ruud Commercial equipment.
