RSD™
REFRIGERATION SUPPLIES DISTRIBUTOR

LVK-51

Heatcraft Basic Refrigeration
and IntelliGen Training

RSD is hosting a Basic Refrigeration and IntelliGen Training with Heatcraft. This course introduces participants to the basic science of heat transfers as it relates to the refrigeration cycle. The fit and function of all major sealed system components will be discussed which includes the part each component plays in the transfer of heat. We will review features of the IntelliGen controller, hands-on setup, and programming.

SPACE IS LIMITED!

- Tuesday, January 12th, 2027
- 8:00am to 3:00pm at the Livermore Total Control branch
- 191 Wright Brothers Ave., Livermore, CA
- Presented by Tim Miller of Western Component Sales
