RSD
REFRIGERATION SUPPLIES DISTRIBUTOR

STS-45

Heatcraft Basic Refrigeration
and IntelliGen Training

RSD is hosting a Basic Refrigeration and IntelliGen Training with Heatcraft. This course introduces participants to the basic science of heat transfers as it relates to the refrigeration cycle. The fit and function of all major sealed system components will be discussed which includes the part each component plays in the transfer of heat. We will review features of the IntelliGen controller, hands-on setup, and programming.

SPACE IS LIMITED!

- Thursday, January 14th, 2027
- 8:00am to 2:00pm at the Santa Rosa branch
- Presented by Tim Miller of Western Component Sales
- Lunch will be provided
- Cost: $35 per person / No refunds for absentees
